

Gathered Around the Advent Wreath

Second Sunday of Advent

WAITING

Praying in Faith

Many Christmas events are happening around us, but Jesus asks us to be patient because he has not yet come. As we light the second purple candle, we wrap around the candle the ribbon of waiting. For a moment, we set aside the chaos of parties, sports, and other activities. We put our focus on Jesus who is always there waiting for us. Let us give Jesus our time. Teach us Jesus every day to make time for you and wait for your coming.

Learning in Faith

Prayer is a very important part of our faith and our lives. Jesus invites us to pray because it allows us to grow in our relationship with him. Prayer is that connection between Jesus and us. The more we pray the more our faith within us grows and calls us to be better people. So we need to pray often – in good and bad times because Jesus is always listening and loving us.

Living in Faith

During the week, learn to be patient with others; learn to take time and not rush situations.
