

Gathered Around the Advent Wreath

Fourth Sunday of Advent

LOVE

Praying in Faith

Jesus, very soon we are going to celebrate your birth. We have been praying together as a family and getting ready to welcome you. Today we light the last candle, and wrap around it the ribbon of love. May we know the great love God has for us and be a sign of your love to others. Jesus, may the growth our family and/or myself have experienced continue. Teach us to make you known by the love we share and spread your message everywhere.

Learning in Faith

Christmas is very near and it is important to remember what we celebrate. Jesus came to earth to make God known and show us how to live. St. Athanasius teaches us the meaning of Christ coming to earth was important because “God became flesh, so that flesh might become like God.” Therefore, we need to make our actions speak of God’s love to all we meet.

Living in Faith

Prior to Christmas do a random act of kindness to a family member or friend without them knowing.
