

## Community Timeline

- 24 March, 1330 (1.30pm): Movie Matinee: *The Prince of Egypt*.

*The Prince of Egypt* is more than a simple cartoon: it's an anim . The reason why I chose that movie for the Lent season is because, unlike other movies I have seen, it illustrates the complexity of the relationship going on in a better way than the biblical text suggests. I am asking you to take more seriously what the movie is about, as great lessons from the Jewish faith are included in the movie.

## Quotes from Jean Vanier:

"...Individualistic material progress and the desire to gain prestige by coming out on top have taken over from the sense of fellowship, compassion and community. Now people live more or less on their own in a small house, jealously guarding their goods and planning to acquire more, with a notice on the gate that says, 'Beware of the Dog.'"

### **Request for your Help: Mission accomplished**

Last week, I asked for cardboard sheets to help cover the windows for movie matinées. It is with great joy and gratitude that I want to thank everyone for their efforts. We now have plenty of cardboard and will be able to cover the windows efficiently. You are all fantastic!

### **Name of our Community**

Because of the change of venue, some people are wondering about the name of our community. It is important to clarify. Even though we are now in a new location, our community name has not changed we are still **Our Lady of the Sacred Heart**. We could gather anywhere, we will still carry our name with us. The name of the building has nothing to do with it. Therefore, on the cover of the bulletin, you will always read: **“Our Lady of the Sacred Heart”**.

### **Parking Situation**

It has been brought to our attention that parking brings some difficulties, especially for our members with mobility issues. This is part of our growing pains. First of all, I would like to thank you for letting us know about that. We are working on getting handicapped parking located close to the accessibility ramps. We are also trying to get a cement pavement to allow an easier access to the ramps. However, it is important to note that there are parking spaces on both sides of the chapel, both of them with easy accessibility. Those parking places belong to the chapel as well. Feel free to park there.

### **New Course**

I am looking for another topic to explore together. Please be patient. Once I make a choice on a topic, I will let you as soon as possible. Remember that we are all learning through this process, me included. I think it's great!

### **Prayer of the Month**

O Lord Jesus Christ, we confess you as the Way, the Truth, and the Life! We rejoice in this profession of our saving faith and ask you to keep us always aware of what a great gift it is. We know, O Lord, that in imitation of you, many of our brothers and sisters, ancestors in the faith, died for their profession of this faith in you. Teach us, like them, to value our union with you, our trust in you, our love for you more than any earthly treasure.

Lord, we know too that Christians still suffer today merely for their profession of faith in you. Like in ages past, they endure hardship, loss, and even death because they cling to you. O Good Savior, we ask you to turn your merciful gaze upon these suffering Christians. Allow them to feel your presence and the assurance of hope in you.

Grant, O Lord, that our human communities many recognize the rights of all to seek, find, and serve you in peace. Amen. (Guest author)
